For the past ten years ALBERTSON FURY has dominated the landscape of girls soccer in NY State. With 24 ENY STATE Cups and three Regional Championships Fury is now part of the greatest female league ever produced in this country the Elite Clubs National League (ECNL).

Fury teams participate against the top talented teams in the Nation such as Surf, Slammers, Texans, PDA, Eclipse and play in front of all the top colleges in the country. Fury players from this year's class of 2013 will be attending schools such as UNC, Vanderbilt, Dartmouth, Boston College while our commitments for 2014 class already include Loyola, Northeastern, Penn State and Clemson.

Fury players are playing throughout the powerhouse conferences of women's college soccer. The colleges trust the Fury training and preparation program. They know our players are committed, talented and understand the concept of sacrificing to be the best.

If you have a daughter who loves the game and enjoys a competitive training environment the Fury program is the only place in NY State. Fourteen Fury players have gone onto to play professionally from the program and the Fury name is admired and renowned throughout female soccer circles.

The Fury Director of Coaching is Paul Riley whose extensive experience in training, coaching, college advising/placement is unrivaled. This is an opportunity for your daughter to witness the same rhythm training methods that many of the elite female soccer players of the world have enjoyed. Players such as World Cup stars Vero (Spain), Amy Rodriguez (USA), Caroline Seger (Sweden), Megan Rapinoe (USA).
